

Conversations with Purpose

Available in English, Simplified Chinese, Traditional Chinese, Thai, Vietnamese, Japanese, Korean, Bahasa Indo, Bahasa Melayu

This Mental Health Awareness Month, we're sharing a campaign that encourages individuals to move beyond surface-level conversations and engage with intention. Through this, they will be able to foster genuine relationships that make each other feel seen and supported.

How to use: Copy the text below and attach the image as shown. Edit the text in red and delete the yellow highlighted text. Send over chat (e.g. Teams, Slack, Whatsapp, Telegram etc.) to your whole organisation. You may also include this in your company-wide newsletter.

Suggested send date: 4 May 2026

<p>💬 What comes to mind when you think of a good conversation?</p> <p>A purposeful conversation starts with listening. These days, conversations are increasingly reactive – filled with quick replies, surface-level check-ins, and endless notifications. With our wellbeing benefit, Intellect, we're encouraging you to slow down and have intentional conversations that leave you feeling truly connected and understood.</p> <p>Check out Intellect platform content such as Communicating Your Needs to take connection to the next level!</p> <p>If you haven't already, get started with Intellect on desktop/ mobile to start booking a coaching/ care/ holistic session.</p> <p>On Web</p> <ol style="list-style-type: none">1. Visit app.intellect.co (please hyperlink here)2. Enter access code CODE*/ Click "Continue with SSO"**3. Create your account using your work email address <p>On App</p> <ol style="list-style-type: none">1. Select 'I'm new here', then 'With your organisation'2. Use the code CODE*/ Click "Continue with SSO"**3. Sign up using your work email address <p>*please use your organisation's unique access code **for organisations with SSO only</p>	<p>Select either the PNG, PDF, or GIF version. Once this has opened up in a new tab on your browser, right click the image then select "Save image as" to save the image.</p> <p>PNG version PDF version GIF version</p>  <p>Need a little practice? Chat with an Intellect professional today. app.intellect.co</p>
